

Activity #12: Observe Self-Control
Section 3: Self-Control

<p>What specific children's behaviors did you see related to development of self-control?</p>	<p>What instructional strategies were used to scaffold children's development of self-control?</p>
<p>What else might have been done to scaffold children's development of self-control in the situations shown?</p>	<p>What new ideas might you use in your own classroom?</p>
